Some stuff about me

- My research interests lie in advancing methodologies in spatial causal inference and developing high-performance computational tools, with a primary focus on R packages.
- ➤ Currently, my work centers on Empirical Dynamic Modeling (EDM) framework for modeling dynamic system and Difference-in-Differences (DID) methods for event studies. I am particularly interested in leveraging these approaches to address critical challenges in urban sustainability, climate change mitigation, and broader global issues.
- ➤ I specialize in data analysis, statistical modeling, and developing open-source analytical tools, including R packages, using R, C++, and Python, with a strong focus on spatial analysis. I actively contribute to the R geospatial community and am dedicated to advancing open-source geospatial software.

Education

2021.8-2025.6 **B.Sc. In Geographic Information Science**

Shaanxi Normal University

Xi'an, Shaanxi

Research Experience

2025.9-2026.9	Research Assistant Ningbo, Zhejiang	EITech
2025.2-2025.8	Research Assistant Shenzhen, Guangdong	PolyU-SZRI
2024.8-2025.6	Visiting Student	HKUST(GZ)

Guangzhou, Guangdong

Publications

- 1. Lv, W., Lei, Y., Liu, F., Yan, J., Song, Y., & Zhao, W. (2025). gdverse: An R package for spatial stratified heterogeneity family. Transactions in GIS, 29(2), 29:e70032. https://doi.org/10.1111/tgis.70032

Honor

2024.12	Longi Non-Education Major Scholarship
2024.11	First Prize in the 13th National University Student GIS Application Skills Competition
2024.06	National University Student Innovation and Entrepreneurship Training Program Qualified Completion
2023.12	Grand Prize in the 12th National University Student GIS Application Skills Competition
2023.11	First Prize in the Second National University Student Ecological Environment Management Research Innovation Competition
	innovation competition

Curriculum Vitae: Wenbo Lv

2023.12	Second Prize of the 5th 'Guodi Cup' National College Student Natural Resource Science and Technol-
	ogy Competition, China Society of Natural Resources
2021.10	Outstanding Individual in Military Training Publicity for College Students, Shaanxi Normal University
